

PARIS: 5 FUN THINGS TO DO

1

Hike up the Arc de Triomphe.

Skip The Eiffel Tower

Want the best views in Paris without a mob scene? Hike up the Arc de Triomphe! Climb all 280 steps and enjoy fantastic panoramic views of the city.

2

Visit St Chapelle.

One of the prettiest churches

Yes, there are a lot of churches to see in Europe, but this gem is tucked away just a short distance from the better-known Notre Dame. You won't believe the stunning floor-to-ceiling stained glass windows!

3

Spend a day in Le Marais.

Charming area with quaint shops and dining

Looking for a fun adventure somewhat off the beaten path? This area, in the 3rd & 4th arrondissements, features charming boutiques and great eats. Be sure to visit the beautiful Place des Vosges as you meander along.

4

Get crepes in Le Quartier Latin.

The perfect afternoon treat

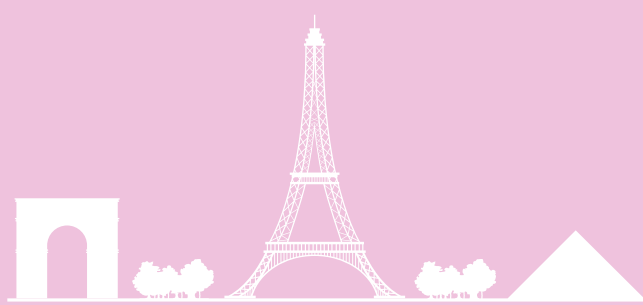

No trip to Paris can be considered complete without a crepe! Try Au P'tit Grec on rue Mouffetard. Nutella-filled is a home run, but there are several options available. If it's a nice day, stroll over to Luxembourg Gardens while you enjoy your snack.

5

Walk or picnic in the Tuileries.

Centrally located city park and gardens

Want fantastic Paris people watching? Grab a sandwich and some wine and enjoy being outside in one of the city's busiest parks. Have kids? Rent them a trampoline square to jump on! After, go check out the adjacent Musee de L'Orangerie.
